# **The Florida Academy of Dental Practice Administration**

## **Vision Statement**

The FADPA is the standard bearer for excellence in dentistry and the promotion of private practice.

## **Mission Statement**

The mission of the FADPA is to achieve excellence in the delivery of quality dental care through the promotion of private practice, education, life management, and fellowship.

Dear Academy Members and Guests,

Welcome to the 58<sup>th</sup> meeting of the Florida Academy of Dental Practice Administration! I hope you will enjoy your stay here at the Fairmont Southampton on the beautiful island of Bermuda. This year our Program Chairman, Dr. Bill Layman, has arranged for one of the most influential educators in marketing to speak to our group. George Day PhD. is a Professor Emeritus at the Wharton School of Business at the University of Pennsylvania. His presentation is entitled *Creating Growth Strategies from the Outside In: How to See What Patient See*. The Friday morning portion of Professor Day's presentation is *Winning in a Changing Dental Landscape - By Thinking Like a Patient*. Saturday morning he will present, *Building a Sustainable Practice - That Delivers a Superior Patient Experience*.

As always, our Academy schedule combines world-class education in the mornings with ample opportunities to spend time with family and friends in the afternoon and evenings. Our social activities begin with a welcome reception on the lawn overlooking the waters of Little Sound on Thursday evening. Friday afternoon a golf tournament will be played on the links of Port Royal, one of the world's most picturesque public golf courses. Anglers will have the opportunity to participate in a fishing tournament on Saturday afternoon. We wrap up our meeting on Saturday evening with a dinner dance being held at the Fairmont's private beach patio. During this celebration our new members will be honored, prizes awarded for golf and fishing, and our new officers installed.

Is my honor to serve as the president of our Academy. I want to extend a heartfelt thank you to the Executive Council for their hard work and dedication over the past year. This group is working overtime to make our Academy an organization you are proud to be a member of. An organization that brings together like-minded dentists who value the private practice model and wish to maintain its relevance in the years to come.

Special thanks to our Executive Director, Kelsey Bulnes, for all her hard work and diligence in keeping me organized and putting this meeting together. If you get the opportunity, please take a moment to show Kelsey the gratitude she deserves. We are lucky to have such a dedicated Director pulling everything together for our group.

I know you will enjoy Bermuda and spending time with new friends and old. Let's have a great meeting!

Sincerely,

A handwritten signature in cursive script, appearing to read "Jimmy Wilson".

Jimmy Wilson  
President 2017-2019
